## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. The following is a statement of reasons for the indication of allowable subject matter: Claim 1 is allowable over the art of record because the prior art does not teach a multiband antenna comprising a multilevel structure characterized in that at least two polygons of the multilevel structure are spaced by means of a non-straight gap shaped as a space-filing curve, and in combination with the remaining claimed limitations.
2. Claim 16 is allowable over the art of record because the prior art does not teach a multiband antenna configured to operate at five bands, the multiband antenna comprising a multilevel structure characterized in that at least two polygons of the multilevel structure are spaced by means of a non-straight gap shaped as a space-filling curve, and in combination with the remaining claimed limitations.
3. Claim 23 is allowable over the art of record because the prior art does not teach an antenna comprising a multilevel structure comprising eight polygons, and in combination with the remaining claimed limitations.
